

Produkteter er deklarerede varer i Supply Chain Declaration Portal (eller forkortet »SCDP«) for Nybyggeri generation 4

| Name | Group / Area | Type |
|---|---|---------------------------|
| <u>CFS-CT B - Brandplade</u> | AI0039 Construction products for NSE New buildings (089) & Renovation (102) | Other construction boards |
| <u>HIT-CT 100 - Klæbemørtel</u> | AI0034 Chemical products for NSE New buildings (089) & Renovation (102) | Chemical anchor |
| <u>CF-I CTS - Byggeskum uden isocyanat</u> | AI0034 Chemical products for NSE New buildings (089) & Renovation (102) | Polyurethane foam |
| <u>CFS-BL - Brandmursten</u> | AI0039 Construction products for NSE New buildings (089) & Renovation (102) | Other insulating material |
| <u>CFS-C EL - Fleksibel brandmanchet</u> | AI0039 Construction products for NSE New buildings (089) & Renovation (102) | Other insulating material |
| <u>CFS-FIL - Brandfyldemasse</u> | AI0034 Chemical products for NSE New buildings (089) & Renovation (102) | Sealant |
| <u>CFS-PL - Brandprop</u> | AI0039 Construction products for NSE New buildings (089) & Renovation (102) | Other insulating material |
| <u>CFS-S ACR – Akryl brandfugemasse</u> | AI0034 Chemical products for NSE New buildings (089) & Renovation (102) | Sealant |
| <u>CFS-S SIL – Silikonebaseret brandfugemasse</u> | AI0034 Chemical products for NSE New buildings (089) & Renovation (102) | Sealant |
| <u>CFS-SL GA - Brandhylse</u> | AI0039 Construction products for NSE New buildings (089) & Renovation (102) | Other insulating material |
| <u>HIT HY-170 - Klæbemørtel</u> | AI0034 Chemical products for NSE New buildings (089) & Renovation (102) | Chemical anchor |
| <u>HIT HY-200-A V3 - Klæbemørtel</u> | AI0034 Chemical products for NSE New buildings (089) & Renovation (102) | Chemical anchor |
| <u>HIT HY-200-R V3 - Klæbemørtel</u> | AI0034 Chemical products for NSE New buildings (089) & Renovation (102) | Chemical anchor |

I et Svanemærket byggeri kan der både indgå Svane-/EU-blomst miljømærkede produkter og produkter som er optaget/registreret i databasen for byggeprodukter, som kan anvendes/indgå i Svanemærket byggeri.
